Block: When a Both Down result is applied during a Block action, this player may choose to ignore it and not be Knocked Down.

Cannoneer: When this player performs a Long Pass action or a Long Bomb Pass action, you may apply an additional +1 modifier to the Passing Ability test.

Catch: This player may re-roll a failed Agility test when attempting to catch the ball.

Dodge: Once per team turn, during their activation, this player may re-roll a failed Agility test when attempting to Dodge.

Additionally, this player may choose to use this Skill when they are the target of a Block action and a Stumble result is applied against them.

Guard: When a player performs a Block action (including as part of a Blitz action) this player can offer both offensive and defensive assists regardless of how many opposition players are Marking them.

Leader: A team which has one or more players with this Skill gains a single extra team re-roll, called a Leader re-roll. However, the Leader re-roll can only be used if there is at least one player with this Skill on the pitch (even if the player with this Skill is Prone, Stunned or has lost their Tackle Zone). If all players with this Skill are removed from play before the Leader re-roll is used, it is lost. The Leader re-roll can be carried over into extra time if it is not used, but the team does not receive a new one at the start of extra time. Unlike standard Team Re-rolls, the Leader Re-roll cannot be lost due to a Halfling Master Chef. Otherwise, the Leader re-roll is treated just like a normal team re-roll.

Nerves of Steel: This player may ignore any modifier(s) for being Marked when they attempt to perform a Pass action, attempt to catch the ball or attempt to interfere with a pass.

Pass: This player may re-roll a failed Passing Ability test when performing a Pass action.

Sidestep: If this player is pushed back for any reason, they are not moved into a square chosen by the opposing coach. Instead you may choose any unoccupied square adjacent to this player. This player is pushed back into that square instead. If there are no unoccupied squares adjacent to this player, this Skill cannot be used.

Sure Hands: This player may re-roll any failed attempt to pick up the ball. In addition, the Strip Ball skill cannot be used against a player with this Skill.
